- **Entry and Further Details**
- **Basic Requirement**
- **Objective**

Steady to a thrown dummy
Basic hunting skills
Retrieving to hand

The objective of the novice Spaniel training day for Gundog working tests is to provide novice handlers and novice dogs with foundational skills and knowledge necessary for successful participation in Gundog working tests. The training day aims to foster a strong bond between handler and dog, develop fundamental gundog skills, and introduce participants to basic handling techniques.

Q&A Session Open forum for handlers to ask questions and seek advice from experienced trainers.
Discussion on common challenges and solutions in Gundog training.

Summary The novice Spaniel training day for Gundog working tests aims to equip handlers and dogs with the necessary skills and confidence to progress in the world of Gundog competitions. By focusing on foundational training techniques and fostering a positive learning environment, participants will develop a strong foundation for future success in Gundog working tests.

Health & Safety The Club will not accept responsibility for any injury, loss or damage to any person, dog or property however occasioned.
